Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Friday 26 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry with plenty of sunshine. Cloudier on Saturday.

Today:
Any early fog patches may linger into the morning, but eventually clear to give a bright and fine day with plenty of sunshine and light winds. Feeling rather mild. Maximum temperature 11 deg C (52 deg F).

Tonight:
Dry this evening with fog reforming into the night. A few light patches of rain in the north overnight, with clearer skies further south. A cold night with patchy frost. Minimum temperature 0 deg C (32 deg F).

Saturday:
Cloudy and murky on Saturday with hill fog and patchy drizzle, easing during the afternoon. Winds remain light but feeling less mild. Maximum temperature 10 deg C (50 deg F).

Outlook for Sunday to Tuesday:
Largely dry throughout with sunny intervals but cloudy at times. Mild by day, but overnight frosts and fog patches possible with light winds.
